BUTTERFLY BY HANH CHAU

Butterfly where thou fly?
To find the path of happiness journey
To celebrate different form of life
In a sense of appreciation and gratify

Butterfly where thou fly?
To pace in a hurry sight
Without any trace of sign

Butterfly where thou fly?
To dance and move in an elegant style
To greet mankind with her gracious kind
Fragile and soft as she may seem
But strong and vibrant in a speed run

Butterfly where thou fly?
To chase after her delight
In a vivid color splendor

Butterfly where thou fly?
To reach for her final destination
With every breath that she takes
Until she subsided
With her wings collapsed

Don't weep for me
I'm no longer here,
I've a date with a
Butterfly to dance in the air.
I'll be singing in the
Sunshine, wild and free
Playing tag with the wind
While I'm watching over thee.

Reflection

BUTTERFLIES IN THE BREEZE BY HELEN NEALE

The butterflies in the breeze,
The whisper through the trees,
The crinkle on the leaves,
Was it you?

The sparkle on the stream,
The murmurs in my dream,
The efforts for our team,
Was it you?

The beauty that beguiled,
The sound of the wild,
The giggle of my child,
Was it you?

The bobbing of the bird,
The softly spoken word,
The "love you" that's unheard,
Was it you?

I know it was you,
ALWAYS.
