

Hospice of Central PA

TREE of *Light*

2023

A Picture of You

By Anonymous

A picture of you I carry in my heart.

*I close my eyes to see it
when the world gets dark.*

A memory of you I carry in my soul

*I wrap it close around me
when the nights get cold.*

If you ask how I am, I'd say just fine.

*But the truth is
if you could read my mind
not a day goes by
that I don't think of you.*

Until We Meet Again

By Anonymous

*Those special memories of you
will always bring a smile.*

*If only I could have you back
for just a little while.*

*Then we could sit and talk again,
just like we used to do.*

*You always meant so very much,
and always will too.*

*The fact that you're no longer here,
will always cause me pain.*

*But you're forever in my heart,
until we meet again.*

Love is Never Lost

By Anonymous

Don't think of me as gone away, my journey's just begun; Life holds so many facets, this earth is only one. Just think of me as resting from the sorrows and the tears, in a place of warmth and comfort where there are no days or years. Think of how I must be wishing that you could know today, how nothing but our sadness can really pass away.

Think of me as living in the hearts of those I touched, for nothing loved is ever lost and I have loved so much.

Thank You

Missing You at Christmas
by Anonymous

*There's a little place within my heart
that is with me every day.*

*A place where all my memories
are softly tucked away.*

*It is the perfect place
in my grief for me to go.*

*For words could not explain
how very much I miss you so.*

*And now that once again
Christmas time has come around.
It's where the sweetest memories
and thought of you are found.*

*Those we love can never be
More than a thought away...
For as long as there's a memory,
They live in our hearts to stay.*

-Anonymous

From Our Families

“When my mother needed that special care in 2009 and my brother in 2022, you were there with compassion and support. Helping, listening, understanding what they needed and what my family needed also. I thank you for all you do because without you, it would be so much harder. We know we are not alone.”

“Three C’s come to mind when I consider what Hospice of Central PA has meant to our family. Compressive: The scope of services provided to my wife addressed her needs and desires beyond all expectations. Compassion: Each contact we had, be it with nurses, pastors, massage therapists, or nurse aides, demonstrated gentle, loving, and individualized care and support through each level of decision making and level of disease. Communication: The immediacy of response when changes of stature occurred was staggering. At no time was I left to grapple with decision making in times of crisis.”

“It means you can concentrate on your loved one and not worry about end of life care and the cost. It means knowing your loved one will pass with dignity at home with comfort and compassion. It means knowing you are not alone in your most vulnerable time of need!”

“No words can express my gratitude and the love that I have for HCP. Such caring and loving people that literally saved my life and my heart!”

From Our Families Continued

“Hospice gave dignity to my wife’s passing. Hospice allowed my wife to see her granddaughter in a peaceful setting. Hospice gave her sister and brothers the time to say goodbye. Hospice gave my son and me the peace of mind for letting her go.”

“HCP was a Godsend to my husband and family. He received true TLC through HCP nurses, nurse’s aides, social workers, massage therapist, volunteers to visit, and chaplains. All were a great source of strength to my husband, me, and family members. His last few days on earth were very peacefully spent with the staff at Carolyn’s House. I am very grateful for all the wonderful care both he and I received. They gave both of us the strength we needed.”

“Hospice of Central PA provided compassionate care for my husband and solace and comfort for me after his passing. I will always remember the care given to my mother as well during her last days. The compassion, care, support, and solace, to me, are the hallmarks of what Hospice of Central PA stands for. Thank you for all you do.”

I am There *By Anonymous*

I'm a thousand winds that blow.

I am sparkles that glisten upon the snow.

I am the twinkling stars up in the sky.

I am always there by your side.

A Silent Tear

Ganor Llewellyn

*Just close your eyes and you will see
all the memories that you have of me.*

*Just sit and relax and you will find
I'm really there inside your mind.*

*Don't cry for me now I'm gone
for I am in the land of song.*

*There is no pain, there is no fear
so dry away that silent tear.*

Don't think of me in the dark and cold

For here I am, no longer old.

I'm that place that's filled with love

Known to you all as "up above".

MISSION

To provide the highest quality of emotional, physical, and spiritual support with compassion and respect.

VISION

A community that embraces specialized care at the end of life with the same importance that is given at the beginning of life.
