TREE of
Light

 hcp | Hospice of Central PA
A program of Choices Healthcare

The perfect winter scene
Is painted by the snow
Holiday decorations
Seem each day to grow

...

The trappings of the season
Do not help me be bright
Someone is still missing
The world just isn't right

...

So how will I make it
How to be bright and merry
When the coming days
Loom dark and scary

...

I will remember and share
The memories that abound
I will talk of the love
With everyone around

...

As I gaze at the snow
And the lights on the tree
I know in my soul
You are here with me

Grief is the last act of love
we have to give to those we loved.
Where there is deep grief,
there was great love.

A Picture of You

A picture of you I carry in my heart.

I close my eyes to see it
when the world gets dark.

...

A memory of you I carry in my soul

I wrap it close around me
when the nights get cold.

...

If you ask how I am, I'd say just fine.

But the truth is
if you could read my mind
not a day goes by
that I don't think of you.

From Our Families

“ The team was great! They showed so much compassion and care for us and our loved one. Our needs were always met in a way that showed us we were important. Becky Jo was always so focused on her job, but she still showed the care and compassion too. She went above and beyond in caring for us. She always took time to explain things to us and listen to what we needed. I can’t say enough about the care we received! ”

— A Grateful Family

“ Everyone on the team was so helpful and caring. It was good to have that kind of support as we navigated our way through this journey with my husband, Dick. Many calls were made to the nurses on call, and I was always encouraged after talking to them about my husband’s medications and how to administer them. Thanks to everyone. You are a blessing. ”

— Glenda Naylor

“ Thank you so very much for the care and comfort that your organization gave to my father and me. Everyone who we met from Hospice of Central PA treated my father with compassion and respect... peppered with some good laughs as well. I am blessed to have been able to honor his wish to stay at home. It was not an easy task and was made possible by your support. What a fantastic organization and group of people—Hospice of Central PA. Thank you so sincerely. ”

Love is Never Lost

*Don't think of me as gone away, my journey's just begun;
Life holds so many facets, this earth is only one. Just think of me as resting
from the sorrows and the tears, in a place of warmth and comfort where there
are no days or years. Think of how I must be wishing that you could know today,
how nothing but our sadness can really pass away. Think of me as living in the
hearts of those I touched, for nothing loved is ever lost and I have loved so much.*

 In each memory and thought
